

Capacity Building Programme Organized in DAV Hazaribag

AVINASH ANJAN : HAZARIBAG

The Two Day Capacity Building Programme in English, Mathematics & Sanskrit for the teachers teaching in Secondary and Sr.Secondary Level in the schools of Jharkhand Zone D was inaugurated by S.R. Prasad, Principal DAV Public School, Patratu Shri V.K.Pandey DAV Public School Tandwa and Shri Ashok Kumar Principal DAV Public School Hazaribag-cum-Subject Coordinator (English) here in DAV Public School Hazaribag.

The Principal of the school Shri Ashok Kumar welcomed all and said that it is indeed a great opportunity for all teachers to learn something new. In order to ensure quality education to

the society, teachers must refresh themselves with latest pedagogical approach as well as CBSE initiatives. The purpose of imparting education is not only to prepare them for scoring good marks but also to prepare them to be a good human being well equipped with 21st century skills so that they can face real life challenges. He also talked about the importance of these three subjects and then advised the teachers to read some motivational books too. Shri Pandey ji in his address also focused on importance of Mathematics, English and Sanskrit and suggested the teachers to be always prompt to acquire knowledge wherever and from whomsoever it is possible. More than hundred teachers from DAV Hazaribag, Gandhinagar Ranchi, Barkakana, Rajrappa, Bharechnagar, Barhi, Koderma, Patratu, Urimari, Tandwa and Giddi are participating in it.

This programme would be concluded on 17th February with the felicitation of the Resource Persons who have been taking initiatives to enlighten the teachers. The sessions were highly interactive, engaging and enjoyable.

Shrachi Greens to give new identity to real estate sector

PNS : JAMSHEDPUR:

Shrachi- one of the leading real estate developers in the country, known for its timely deliveries and unmatched construction quality, is all set to usher a new beginning in the real estate sector with its project Shrachi Greens. Located on Pardih Road, Mango, the project is spread across 8.14 acres. While 7.2 acres of land will be used for housing projects, rest has been earmarked for commercial use.

The officials of Shrachi said that a total of 706 housing units will be constructed comprising 2 to 6 BHK under 10 towers. About 45 duplexes will also be a part of the project. The plan is to complete the project by 2025 December 10. "At Shrachi Greens, our spaces are not just built for the present-day but are crafted to enrich the neighbourhoods in which they are located perpetually. We achieve this through our commitment to excellence in design, sensi-

tive landscaping, and sustainable construction practices that perfectly complement the hill-like climate throughout the town of Jamshedpur. Our homes are therefore designed to blend," said Poonam Tharar, chief marketing officer. She added: "We have always been committed to conserving energy, and reducing water and waste, be it on our construction sites, in our hotels, offices or the homes that we build, in keeping with our commitment to sustainable luxury and conscious living we at Shrachi with our newest project, Greens, bring to you a habitat within nature. Each of our spaces is constructed using materials with sustainable properties thereby reducing the impact on the environment." The key

features of the project are Children's Play Zone, Community Hall, Exclusive Club, Indoor Swimming Pool, Indoor Games Room, Multi-Level Car Parking, World Class Gymnasium and Landscape Gardens. "Our project has been designed with the resident's comfort as priority and will set new parameters of excellence not only in quality of lifestyle alone, but also in its elaborate addition and superbly laid plan for every strata of society. Care is accorded to include wide open spaces, and incorporating existing trees and planting new saplings. Numerous green features to help lessen the impact on the environment while increasing the quality of life," said another official.
